Now " open your Finder Window (on a Mac) or File Explorer (on a PC). I keep it minimized, so that it can stay in the foreground of my Silhouette Library. Double click on that folder to open it & show the files. Now, you need to select all of the files that you want to add to your library. There are two folders in this particular download, so double click on one of those folders to show the designs. Now, click on the first one ">hold down your shift key on your keyboard "> and click the ...

I'm not sure if the grid lines are appearing for you in the PDF file or when you open the PDF in Illustrator. If it's the former - I haven't been able to make mine have grid lines. I always have the grid off and set to normal. You might want to try cutting and pasting your shapes into a new file to see if that makes a difference. If it's in Illustrator that you're getting the grid lines that ...
